LEASE PROTECTION**

XS WEAR LEASE PROTECTION FOR THE NEW ROADS AHEAD.

PROTECTION

Minimize your worries with XS Wear.

A lease agreement holds you financially responsible for the condition of your vehicle's interior and exterior when your vehicle is returned. With XS Wear, you are protected against many out-of-pocket expenses incurred from excess wear-and-tear charges. Your primary auto insurance carrier may pay for certain types of damage to your vehicle. However, you are usually required to pay for excess wear and tear. Don't get blindsided by unexpected out-of-pocket expenses.

XS Wear covers most wear and tear that may result in additional costs.
