

CAMARO 2020

CHEVROLET 

Camaro 2SS Coupe in Riverside Blue Metallic (extra-cost colour) with available features and Second Generation Ground Effects in Metallic Black from Chevrolet Accessories!

TAKE IT TO THE STREETS.

“Few cars capture the joy of driving as well as the iconic Chevrolet Camaro,” declares *Car and Driver*. This is performance without pretense, style sculpted to perfection. The architecture is lightweight and ultra-strong, helping the tuned suspension provide an incredible connection to the road. For 2020, there’s a wider range of customizing options, a stealthy LT1 debuts and SS gets a new concept-inspired appearance. From a 2.0L turbo all the way to a supercharged V8 that has stunned the sports car world, Camaro makes a provocative statement. Are you ready for the ride of your life?

FIND NEW ROADS™

¹ Accessory warranty coverage, if any, varies. See your GM Warranty Booklet or GM dealer for details.

MODELS

LS

Every Camaro is an original, a true sports car in all respects. LS Coupe is no exception.

A 275-horsepower turbo engine offers a 0–96 km/h (0–60 mph) time of 5.4 seconds on the track! You'll stay connected with a Chevrolet Infotainment 3 system² featuring Apple CarPlay^{®3} and Android Auto^{™4} compatibility. The well-equipped LS Coupe also features standard power-adjustable mirrors, a dual-outlet exhaust with bright tips and 18-in. Silver-painted aluminum wheels.

LT

Consider the possibilities and all the ways you can personalize Camaro LT: Coupe, Convertible, 2.0L Turbo, 3.6L V6, even a dramatic RS appearance option.

Choose from a 6-speed manual transmission or a newly available 10-speed paddle-shift automatic on V6 models. Standard safety technology on 3LT includes Forward Collision Alert⁵, Lane Change Alert with Side Blind Zone Alert⁵, Rear Park Assist⁵ and Rear Cross Traffic Alert⁵.

Top: Camaro LS Coupe in Rally Green Metallic (extra-cost colour).

Bottom: Camaro 3LT Convertible in Satin Steel Metallic (extra-cost colour) with available RS Package and other available features.

¹ Based on initial vehicle movement. LS with 6-speed manual transmission. ² Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ³ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁴ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply. ⁵ Read the vehicle Owner's Manual for important feature limitations and information.

MODELS

LT1

The new-for-2020 LT1 is the most affordable way to enjoy the thrill of a V8-powered Camaro.

A 455-horsepower 6.2L V8 engine, shared with Camaro SS, is standard. Choose from either a 6-speed manual transmission with Active Rev Matching or an available 10-speed paddle-shift automatic.

With its domed hood, LT1 fender badging and 20-in. aluminum wheels on all-season† tires, LT1 will make Camaro-watching even more fun this year.

SS

Since day one, SS has been the heart and soul of Camaro performance.

The driving force behind the 2020 SS is the 6.2L V8. SS also features a 6-speed manual transmission with Active Rev Matching or an available 10-speed paddle-shift automatic. Brembo® brakes, 20-in. aluminum wheels (paired with summer-only†† performance tires) and available Magnetic Ride Control™ contribute to this tour de force.

Top: Camaro LT1 Coupe in Garnet Red Tintcoat (extra-cost colour).

Bottom: Camaro 2SS Coupe in Riverside Blue Metallic (extra-cost colour) with available features.

† All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the “winter tire” symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area. †† Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, see the Owner's Manual, go to my.gm.ca/chevrolet/en/learn/tires or see your dealer for details.

MODELS

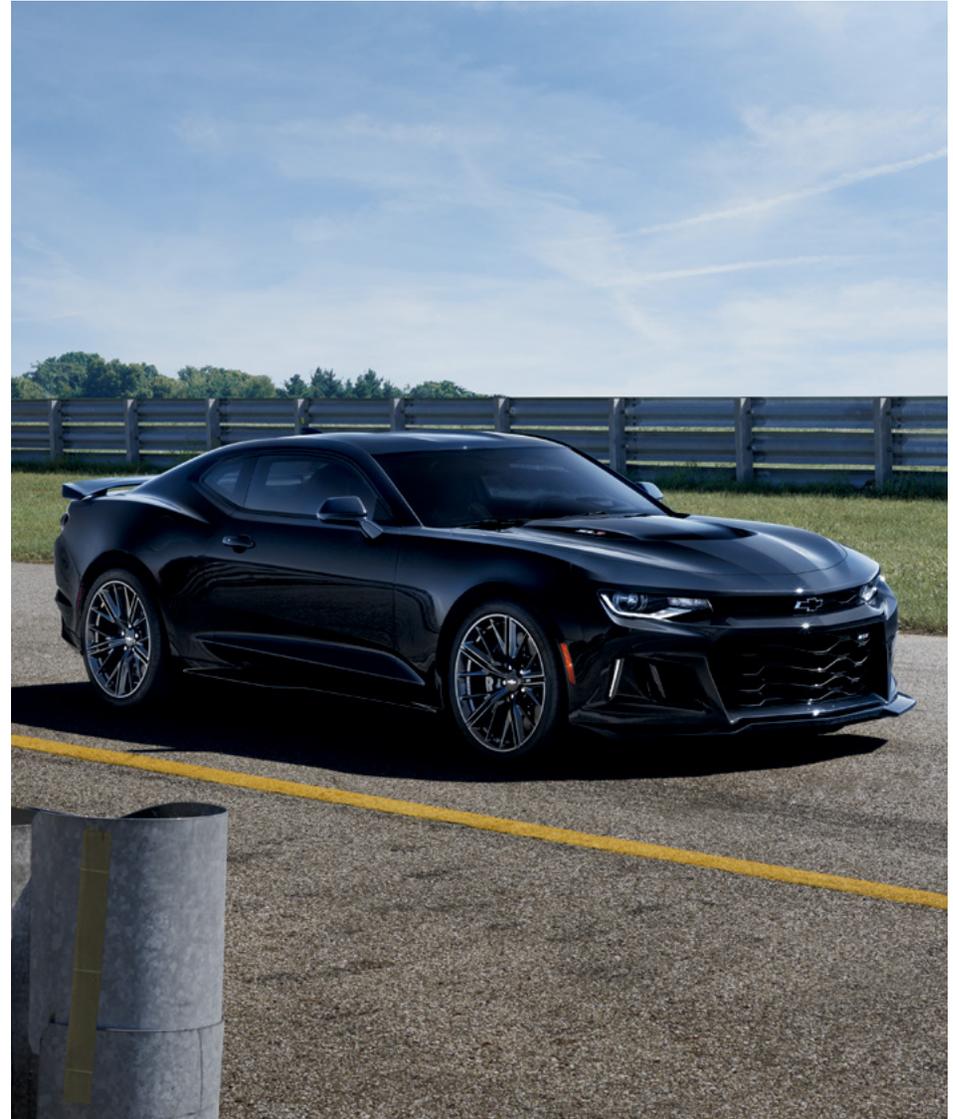

ZL1

Sometimes more is more. The 650-horsepower supercharged ZL1, available as a Coupe or a Convertible, is purpose-built to challenge the most advanced sports cars in the world.

The résumé of this iconic sports car includes a 6-speed manual transmission or available 10-speed paddle-shift automatic, Magnetic Ride Control, Brembo® 6-piston front and 4-piston rear brake calipers and a dual-mode performance exhaust. Standard 20-in. forged-aluminum wheels are wrapped in sticky Goodyear Eagle® F1 SuperCar® G:2 summer-only† performance tires. Custom launch control with line lock provides maximum grip at the drag strip.

Long story short: 1.02 g on the skid pad, 0–96 km/h (0–60 mph) in 3.5 seconds¹ and a 318 km/h (198 mph) top speed on the test track for ZL1 Coupe with the available 10-speed automatic transmission.

Camaro ZL1 Coupe in Black.

¹ Based on initial vehicle movement. † Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, see the Owner's Manual, go to my.gm.ca/chevrolet/en/learn/tires or see your dealer for details.

Left to right: Camaro 2SS Coupe in Satin Steel Metallic (extra-cost colour), Camaro 3LT Coupe in Red Hot and Camaro ZL1 Coupe in Summit White.

All vehicles shown with available 1LE Track Performance Packages and other features.

† Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, see the Owner's Manual, go to my.gm.ca/chevrolet/en/learn/tires or see your dealer for details.

1LE TRACK PACKAGES

CAMARO FOR THE WIN.

It was born as an option package for third-generation Camaro race cars. Since then, 1LE has developed into a comprehensive Track Performance Package that's available on LT, SS and ZL1.

Turbo 1LE. The 1LE Track Performance Package for the Camaro 2.0L turbo includes FE3 suspension components, heavy-duty cooling, Brembo® 4-piston front brake calipers, 20-in. Black-

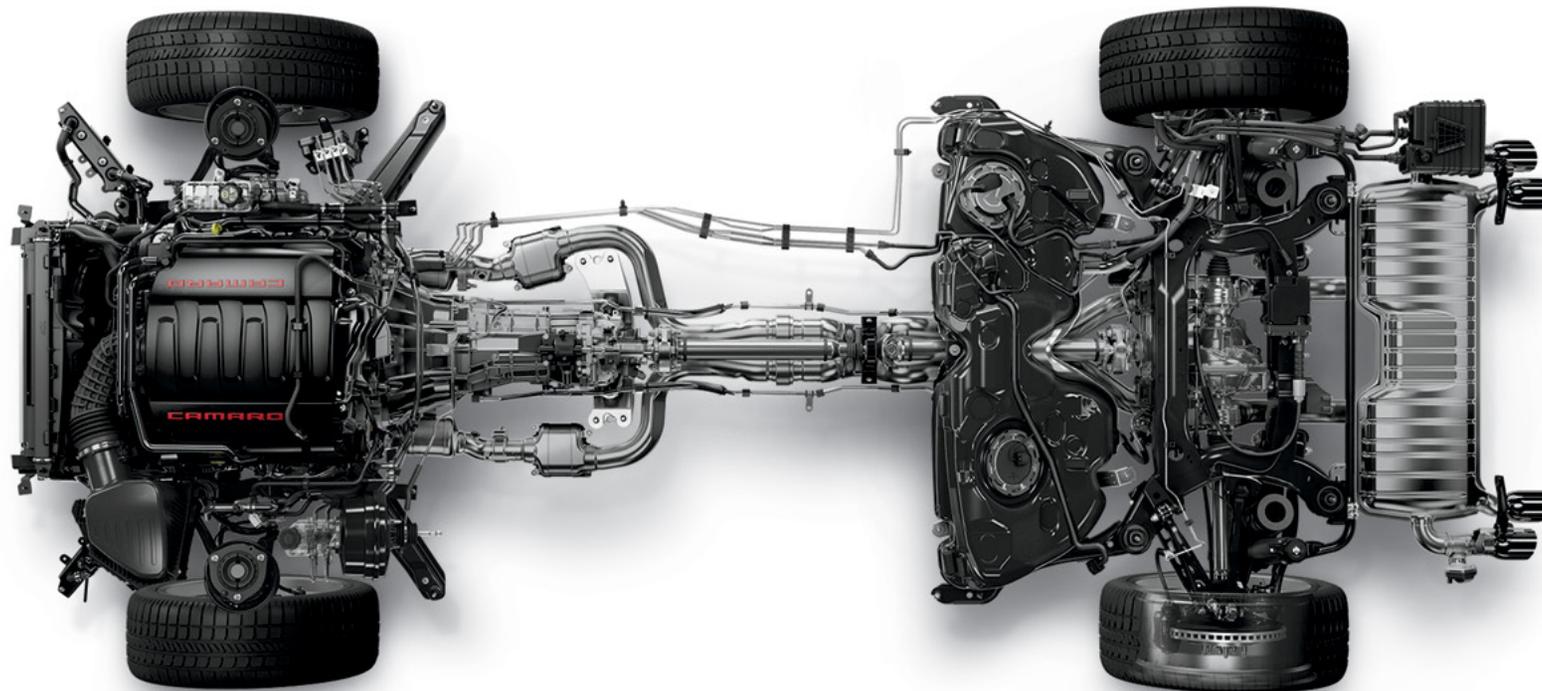

painted forged-aluminum wheels and summer-only performance† tires. There's also a unique 3-piece spoiler, an enhanced fuel system for higher cornering loads, a Driver Mode Selector that includes Track Mode, and available RECARO® performance seats.

V6 1LE. The 335-horsepower V6 1LE includes all the basics of the Turbo 1LE, plus a dual-mode exhaust. With its aggressive suspension tuning, V6 1LE

delivers an estimated 0.97 g in cornering grip for consistent lap times on the track.

SS 1LE. This 455-horsepower SS 1LE includes an FE4 suspension system with Magnetic Ride Control dampers, plus special springs and stabilizer bars. Brembo® 6-piston front brake calipers and Goodyear Eagle® F1 SuperCar® summer-only† performance tires are featured.

ZL1 1LE. The most extreme production Camaro ever, ZL1 1LE is designed for track day setups with the ability to readjust for the ride home. Besides its LT4 supercharged V8, ZL1 1LE includes adjustable front camber and ride height of the Multimatic DSSV™ dampers, adjustable rear stabilizer bar, fixed carbon-fibre rear wing and dive planes on the edges of the front fascia. Choose from a 6-speed manual transmission or available 10-speed paddle-shift automatic.

CHASSIS/POWERTRAIN

HEART OF A MASTERPIECE.

A robust foundation enables a series of performance choices that range from a turbocharged 4-cylinder to a supercharged V8.

Featuring aluminum components and MacPherson struts, the **multi-link front suspension** is engineered for precision at every turn.

SS and ZL1 feature **Brembo® 4-wheel disc brakes**. Track-tested 4-piston front and rear calipers are standard on SS. ZL1 has 6-piston front and 4-piston rear calipers.

Take Camaro LT performance to an even higher level with the available **Heavy-Duty Cooling and Braking Package** that includes an external engine oil cooler and 4-piston Brembo® performance front brake calipers. When equipped with the available V6 engine, an auxiliary engine cooler is included.

Elevate road feel and response with **Electric Power Steering**. You can select up to four drive modes. Quick steering ratios contribute to a nimble, controlled feeling with every turn of the wheel.

Tuned specifically for each Camaro model, the **independent rear suspension** provides a refined ride and responsive driving dynamics.

Standard on ZL1 and available on SS Coupe with the SS 1LE Track Performance Package, **Magnetic Ride Control** reads the road every millisecond. It then changes damping in just 10 to 15 milliseconds in shocks filled with magnetorheological fluid containing minute iron particles.

Standard on ZL1 Coupe and available on SS Coupe with the SS 1LE Track Performance Package, the **electronic Limited-Slip Differential** continuously modulates torque split to help improve traction and acceleration out of corners, enhancing stability and turn-in responsiveness. A mechanical limited-slip differential is standard on LS, LT, LT1, SS and ZL1 Convertible.

Standard on ZL1 and available on SS, LT1 and LT with the available 3.6L V6 engine, the **dual-mode exhaust** provides a more aggressive exhaust note in Sport and Track modes. (Track mode is exclusive to LT with available 1LE Track Performance Package, SS and ZL1.)

Camaro 3LT interior in Jet Black with available Ceramic White Interior Accent Trim Package and other available features.

INTERIOR DESIGN

IT'S ALL ABOUT THE DRIVE.

At the heart of it, Camaro is sheer exhilaration.

Available leather-trimmed seating surfaces and **heated and ventilated front seats** provide premium comfort. Or choose the available **RECARO® performance seats** with sueded microfibre inserts as well as Jet Black leather appointments. Personalize your Camaro even further with available Red seat belts, Red knee pads and alloy pedals.

A close-up, driver's perspective view of the interior of a Chevrolet Camaro. The steering wheel is on the left, featuring the Chevrolet logo and 'CAMARO' branding. The instrument cluster is illuminated with blue and red lights, showing a speedometer with '40' displayed. The center console features a large, diagonal touch-screen infotainment system displaying various icons for Audio, Phone, Nav, Wi-Fi Hotspot, Users, Settings, Apple CarPlay, and Android Auto. Below the screen are physical buttons and a rotary knob. The gear shift is visible in the lower center, and the climate control dials are on the right side of the dashboard.

TECHNOLOGY

STAY CONNECTED, WHEN YOU WANT TO.

Camaro is designed to accelerate your game. From a **flat-bottom steering wheel** to deeply contoured seating, everything comes together seamlessly to keep you connected to the road.

And that connected feeling takes on a whole new dimension with the next-generation **Chevrolet Infotainment 3 system**! It features an available 8-in. diagonal colour touch-screen on select models, Apple CarPlay^{®2} and Android Auto^{™3} compatibility, and Bluetooth[®] streaming⁴ capability for two users.

1 Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. 2 Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. 3 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply. 4 Visit my.gm.ca/Chevrolet/en/learnAbout/bluetooth for more information. Full Bluetooth feature functionality varies by device, model and/or vehicle configuration, and software version.

Colour Head-Up Display instrumentation is standard on 3LT, 2SS and ZL1, available on 1SS.

An enhanced reconfigurable 8-in. Driver Information Centre is standard on 3LT, 1SS, 2SS and ZL1.

A Rear Camera Mirror¹ is standard on 3LT, 2SS and ZL1.

Interior spectrum lighting with 24 selectable colours is standard on 3LT, 2SS and ZL1.

¹ Read the vehicle Owner's Manual for important feature limitations and information.

Camaro LS Coupe in Rally Green Metallic (extra-cost colour).

LS

WHY FOLLOW THE CROWD?

- 275-horsepower 2.0L turbocharged engine with Variable Valve Timing and Direct Injection.
- Driver Mode Selector with three modes (Snow/Ice, Tour and Sport).
- 18-in. 5-split-spoke Silver-painted aluminum wheels.
- Dual-outlet stainless steel exhaust with bright tips.

Camaro 3LT Coupe in Satin Steel Metallic (extra-cost colour) with available RS Package and other available features.

LT

STAND OUT.

- Available 335-horsepower 3.6L V6 engine with Variable Valve Timing and Direct Injection.
- Available 10-speed paddle-shift automatic transmission.
- Available Bose premium audio system.
- Available RS Package with 20-in. 5-split-spoke Premium Grey-painted machined-face aluminum wheels, RS-specific grille and dark-tinted tail lamps.

Camaro 3LT Convertible in Satin Steel Metallic (extra-cost colour) with available RS Package and other available features.

CONVERTIBLE

FIRST IT'S A CAMARO. THEN IT'S A CONVERTIBLE.

This is Camaro – the pure driver's car – in possibly its most spectacular form. The Camaro Convertible features modular underbody bracing to allow the same precise, nimble handling as the Coupe. Plus, an open roof and a rush of fresh air.

The top fluidly disappears under the **fully automatic hard tonneau cover** for a show-car smooth appearance. And the electronic top lowers with the touch of the key fob or the single push of a button – even when driving up to 50 km/h (31 mph).

With this year's wide range of **LT, LT1, SS and ZL1 Convertible models**, the level of euphoria just went sky-high.

Camaro LT1 Coupe in Garnet Red Tintcoat (extra-cost colour) with available features.

LT1

SPEAK SOFTLY, AND CARRY A 455-HP V8.

Beware the sleeper. The new Camaro LT1 is the pure V8 performance experience for the dedicated enthusiast. LT1, available in Coupe or Convertible models, is lightweight, agile and ready to intimidate any would-be competitor.

- 455-horsepower 6.2L V8 engine with Active Fuel Management®
- Standard 6-speed manual transmission with Active Rev Matching or available 10-speed paddle-shift automatic transmission.
- Brembo® 4-piston front brake calipers.
- LT1 fender badging, Black bowtie emblems, a vented and domed hood, and LT1-specific 20-in. aluminum wheels with all-season† tires.

† All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol ❄️ may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

Camaro 2SS Coupe in Riverside Blue Metallic (extra-cost colour) with available features.

SS

THE “SUPER SPORT” CAMARO NEVER LOOKED BETTER.

Up front, there's an exclusive new look for Camaro SS. But make no mistake, with a **455-horsepower LT1 V8** engine under its vented hood, SS embodies the heart and soul of Camaro performance. And on the track it will propel you from **0–96 km/h (0–60 mph) in 4 seconds flat¹** with the available 10-speed paddle-shift automatic transmission.

The track-tuned credentials of Camaro SS are further enhanced by available Magnetic Ride Control that stiffens the suspension for high-performance driving while helping to maintain a smooth ride. The robust **4-piston Brembo® brake system** is capable of taking the SS Coupe from 96 km/h (60 mph) to a complete stop in 35.7 m (117 ft.). The available **dual-mode exhaust system** lets you refine the roar of the LT1 V8 within each of its four driving modes – Snow/Ice, Tour, Sport and Track.

¹Based on initial vehicle movement. Coupe models with available 10-speed paddle-shift automatic transmission.

Camaro 2SS Coupe in Riverside Blue Metallic (extra-cost colour) with available features.

SS

IT'S NEXT-LEVEL LEGENDARY.

- 455-horsepower 6.2L V8 engine.
- Standard 6-speed manual transmission with Active Rev Matching.
- Available 10-speed paddle-shift automatic transmission.
- Domed hood with functional air extractor and SS-specific rear spoiler.
- Limited-slip differential, extra-capacity cooling system and differential cooler (Coupe only).
- Staggered wheel size (20-in. x 8.5-in. front and 20-in. x 9.5-in. rear)†

† These wheels are paired with summer-only tires. Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, see the Owner's Manual, go to my.gm.ca/chevrolet/en/learn/tires or see your dealer for details.

Camaro ZL1 Coupe in Black
with available features.

ZL1

THE REIGNING KING OF CAMARO PERFORMANCE.

Featuring a **650-horsepower 6.2L supercharged V8 engine**, ZL1 is the most powerful production Camaro ever built. With a whopping 650 lb.-ft. of torque, ZL1 Coupe with the available 10-speed automatic transmission offers a **top track speed of 318 km/h (198 mph) and a 0–96 km/h (0–60 mph) time of 3.5 seconds!**

- 6-speed manual transmission with Active Rev Matching or available 10-speed paddle-shift automatic transmission.
- Magnetic Ride Control reads the road every millisecond and changes damping in just 10–15 milliseconds.
- Available Performance Traction Management system (Coupe only) helps achieve faster transitions on the track.
- 20-in. forged-aluminum wheels and Goodyear Eagle® F1 SuperCar® G:2 summer-only tires† (285/30ZR20 front and 305/30ZR20 rear).
- Brembo® 6-piston front and 4-piston rear brake calipers, plus aero additions such as a platform wing and front and side splitters.

¹ Based on initial vehicle movement. † Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, see the Owner's Manual, go to my.gm.ca/chevrolet/en/learn/tires or see your dealer for details.

PERFORMANCE

PUT A SPIN ON IT.

Custom Launch Control, included with the available 10-speed automatic transmission, allows you to adjust both the launch rpm and rear wheel slippage through the Driver Information Centre (with a brake pressure bar graphic to assist in operation).

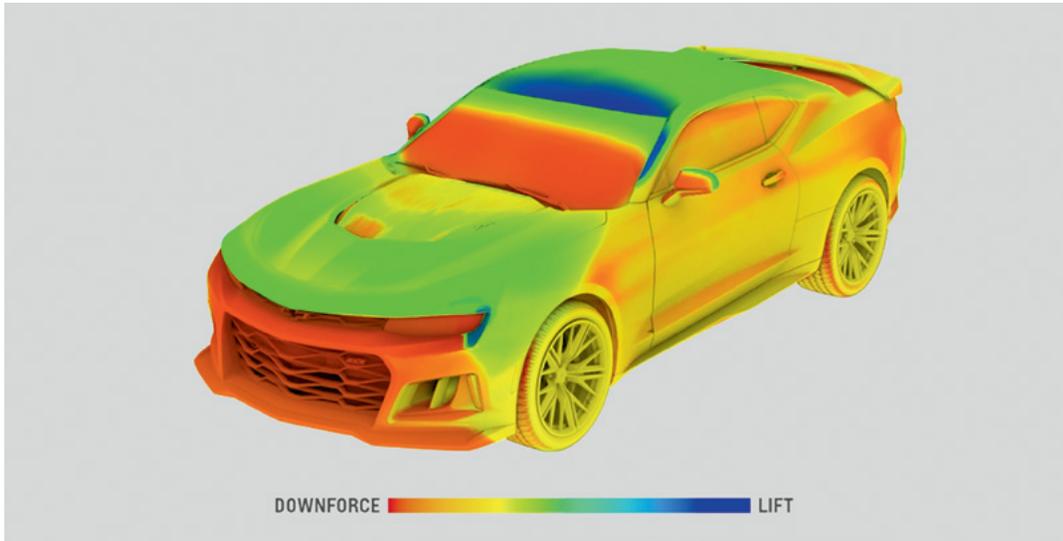

On a closed-course drag strip, line lock lets you lock the front wheels to enable the rear wheels to spin, warming the tires for maximum grip.

On ZL1 a carbon-fibre hood air extractor, air dam and wing-style rear spoiler help to reduce lift.

ZL1 6.2L supercharged V8 engine.

Record lap times and log videos of your drives with the Performance Data Recorder, available on 3LT, 1SS, 2SS and ZL1 Coupe models.

RECARO® performance seats with Jet Black leather appointments and sueded microfibre inserts (standard on ZL1).

MODELS

1LS AND 1LT Camaro 1LS Coupe (shown) and 1LT Coupe and Convertible include these features:

MECHANICAL

Brakes – 4-wheel disc brakes with Anti-lock Braking System (ABS); electronic parking brake

Differential – limited-slip

Driver Mode Selector – three modes: Snow/Ice, Tour and Sport

Engine – 2.0L turbocharged DOHC I-4 with Variable Valve Timing (VVT) and Direct Injection

Exhaust system – dual-outlet with bright tips

StabiliTrak® – Electronic Stability Control System with Traction Control

Steering – power, electric, rack-and-pinion, variable-ratio

Suspension – 4-wheel independent, Sport (FE2)

Transmission – 6-speed manual

EXTERIOR

Daytime running lamps – LED

Fuel filler – capless fuelling

Headlamps – LED with LED signature and automatic on/off with automatic delay

Mirrors – power remote control with body-colour caps

Tail lamps – LED

Tires – 245/50R18 all-season¹ blackwall

Wheels – 18" x 8.5" front and rear 5-split-spoke Silver-painted aluminum (SGE) (1LS only)

Wheels – 18" x 8.5" front and rear 5-spoke Silver-painted aluminum (REG) (1LT only)

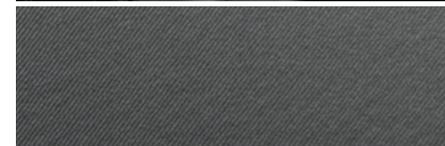

INTERIOR

Air conditioning – automatic, single-zone

Audio – 6-speaker system

Cruise control – electronic with set and resume speed

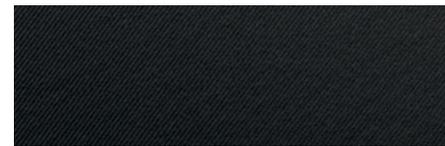

Door locks – power, programmable with lock-out protection

Medium Ash Grey Cloth (shown)

RECARO® Performance Seats with Jet Black Leather Appointments and Sueded Microfibre Inserts (1LT only)

Jet Black Cloth

INTERIOR (CONTINUED)

Driver Information Centre – colour display with compass

Entertainment – Chevrolet Infotainment 3 system¹ with 7-in. diagonal colour touch-screen, AM/FM stereo, Bluetooth® audio streaming² for two active devices, voice command pass-through to compatible phone, and Apple CarPlay^{®3} and Android Auto™⁴ compatibility

Keyless Open and Start – includes extended-range Remote Keyless Entry

Media – two USB ports⁵ and auxiliary input jack

Rear Vision Camera⁶

Seat – front passenger 6-way power adjuster (1LT only)

Seats – front sport buckets with driver 8-way power adjuster and front passenger 4-way manual adjuster with power recline; folding rear (Coupe)

SiriusXM^{®7} – All Access Package with trial subscription (1LT only)

Steering column – manual tilt and telescopic

Steering wheel – leather-wrapped flat-bottom with mounted audio, cruise and phone controls

Theft-deterrent system – unauthorized entry

Tire Pressure Monitoring System – with Tire Fill Alert (does not monitor spare tire)

Windows – power with driver and front passenger express-up/-down

Visit onstar.ca for more details. ⁶ Read the vehicle Owner's Manual for important feature limitations and information. ⁷ Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at siriusxm.ca/terms. ⁸ Requires available Ceramic White Interior Accent Trim Package. ⁹ Requires available Adrenaline Red Interior Accent Trim Package.

MODELS (CONTINUED)

LT1 In addition to or replacing 1LT features, LT1 includes:

MECHANICAL

Brakes – 4-wheel disc brakes with Anti-lock Braking System (ABS) and Brembo® 4-piston front calipers; electronic parking brake

Cooling – external engine oil cooler

Engine – 6.2L LT1 V8 with Variable Valve Timing (VVT) and Direct Injection

Suspension – 4-wheel independent, Performance (FE3)

Transmission – 6-speed manual with Active Rev Matching

EXTERIOR

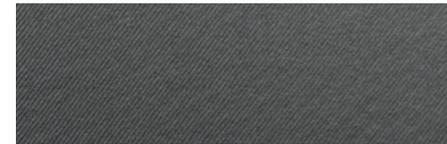

Badging – LT1 insignia on front fenders

Chevrolet bowtie emblems – Black

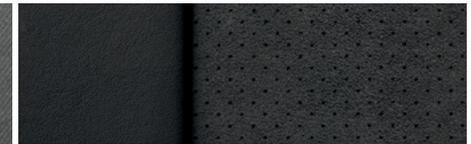

Engine hood – SS-style with functional air extractor

Tires – 245/40R20 all-season† blackwall, run-flat

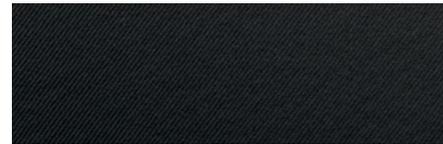

Wheels – 20" x 8.5" front and rear 5-spoke Silver-painted aluminum (RQA)

Medium Ash Grey Cloth (shown)

RECARO® Performance Seats with Jet Black Leather Appointments and Sueded Microfibre Inserts (shown)

Jet Black Cloth

† All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the “winter tire” symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

MODELS (CONTINUED)

1SS In addition to or replacing LT1 features, 1SS includes:

MECHANICAL

Brakes – 4-wheel disc brakes with Anti-lock Braking System (ABS) and Brembo® 4-piston front and rear calipers; electronic parking brake

Cooling – extra-capacity cooling system and transmission oil cooler (requires automatic transmission on SS Convertible)

Cooling – auxiliary engine coolant cooler and rear differential oil cooler (Coupe)

Driver Mode Selector – four modes: Snow/Ice, Tour, Sport and Track

EXTERIOR

Antenna – fin-type, body-colour

Tail lamps – dark-tinted

Tires – 245/40ZR20 front and 275/35ZR20 rear summer-only¹ blackwall, run-flat

Wheels – 20" x 8.5" front and 20" x 9.5" rear 5-spoke Bright Silver-painted aluminum (56S)

INTERIOR

Driver Information Centre – enhanced 8-in. diagonal reconfigurable multi-colour display

Entertainment – Chevrolet Infotainment 3 Plus system¹ with 8-in. diagonal HD colour touch-screen, AM/FM stereo, Bluetooth® audio streaming² for two active devices, Apple CarPlay®³ and Android Auto™⁴ compatibility, voice recognition and in-vehicle apps⁵

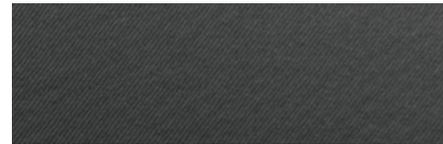

Rear Vision Camera⁶ – HD

SiriusXM® with 360L⁷ – All Access Package with trial subscription

Jet Black Cloth (shown)

RECARO® Performance Seats with Jet Black Leather Appointments and Sueded Microfibre Inserts (shown)

Medium Ash Grey Cloth

¹ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ² Visit my.gm.ca/Chevrolet/en/learnAbout/bluetooth for more information. Full Bluetooth feature functionality varies by device, model and/or vehicle configuration, and software version. ³ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁴ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply. ⁵ Additional data plan rates may apply. Available on select GM vehicles with compatible hardware. Third-party trademarks are the property of their respective third-party owners and used under agreement. Visit onstar.ca for service limitations, availability and service plan details. Requires active connected vehicle services and data plan or connection to an external Wi-Fi Hotspot. Vehicle data plans provided by AT&T or its local service provider. Services are subject to user terms and limitations. Visit onstar.ca for more details. ⁶ Read the vehicle Owner's Manual for important feature limitations and information. ⁷ Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at siriusxm.ca/terms. † Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, see the Owner's Manual, go to my.gm.ca/chevrolet/en/learn/tires or see your dealer for details.

MODELS (CONTINUED)

2SS In addition to or replacing 1SS features, 2SS includes:

EXTERIOR

Mirrors – power remote control, heated with driver-side auto-dimming feature and body-colour caps

INTERIOR

Accents – aluminum accents on door trim and shifter cap

Air conditioning – automatic, dual-zone with individual climate settings for driver and front passenger and exterior temperature display

Audio – Bose premium 9-speaker (Coupe) or 7-speaker (Convertible) system

Forward Collision Alert¹

Instrumentation – Head-Up Display with multi-function readouts

Lane Change Alert with Side Blind Zone Alert¹

Lighting – interior spectrum with 24 different colour selections

Memory – recalls two pre-sets for power driver seat and exterior mirrors

Rear Camera Mirror¹

Rear Cross Traffic Alert¹

Rear Park Assist¹

Seats – heated and ventilated leather-appointed driver and front passenger

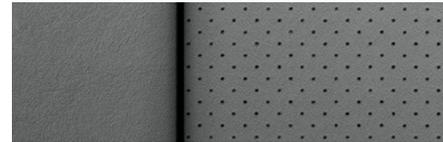

Sill plates – illuminated

Steering wheel – heated

1 NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

2 Read the vehicle Owner's Manual for important feature limitations and information. **3** Coupe model only. **4** Properly equipped Chevrolet vehicles are eligible for 1 month of Connected Services trial and OnStar Safety & Security coverage starting at trial activation date; includes emergency and navigation services, Connected Navigation, the Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial. Services subject to user terms and limitations; capabilities vary by model and/or vehicle configuration; visit onstar.ca for details. Data plans offered by AT&T or its local service provider. Availability subject to change. GM Canada may modify, extend or terminate offers for any reason, in whole or in part, at any time, without notice. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. **5** Requires 6-speed manual transmission. **6** Convertible model only. **7** Deleted when available ZL1 1LE Extreme Track Performance Package ordered.

¹ Convertible model only. ² Coupe model only. [†] All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area. ^{††} Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, see the Owner's Manual, go to my.gm.ca/chevrolet/en/learn/tires or see your dealer for details.

Includes external engine oil cooler, extra-capacity cooling system, limited-slip differential cooler, Performance suspension (FE3), Brembo [®] 4-piston front brake calipers, Satin Black front splitter, engine hood wrap and rear blade spoiler, 20" x 8.5" front and 20" x 9.5" rear 5-spoke Low-Gloss Black-painted forged-aluminum wheels (56Z), P245/40R20 front and P275/35R20 rear summer-only ¹ performance run-flat tires, RS badging, RS lighting and suede microfibre-wrapped steering wheel and shift knob; includes auxiliary engine cooling system and dual-mode performance exhaust system with available V6 engine (requires 6-speed manual transmission and Jet Black interior)								
SS 1LE Track Performance Package	–	–	–	–	–	○ ⁴	○ ⁴	–
Includes electronic Limited-Slip Differential (eLSD), dual-mode performance exhaust system, Performance suspension (FE4), Magnetic Ride Control, Brembo [®] Red monobloc 6-piston front brake calipers, 4-piston rear calipers, 2-piece brake rotors, Satin Black front splitter, engine hood wrap and rear blade spoiler, 20" x 10" front and 20" x 11" rear 5-split-spoke Satin Graphite forged-aluminum wheels (RSK), P285/30R20 front and P305/30R20 rear summer-only ¹ performance tires, RECARO [®] performance front bucket seats and suede microfibre-wrapped steering wheel and shift knob; includes Head-Up Display (HUD) instrumentation on 1SS (requires 6-speed manual transmission and Jet Black interior)								
ZL1 1LE Extreme Track Performance Package	–	–	–	–	–	–	–	○ ⁴
Includes Performance suspension (FEA) with Multimatic DSSV™ dampers, Red brake calipers, Satin Black engine hood wrap, exposed carbon-fibre weave engine hood insert, exposed weave carbon-fibre rear spoiler, Low-Gloss Black exterior rear-view mirrors, dark tail lamps, front dive planes, unique front splitter with lower DRLs deleted, 19" x 11" front and 19" x 12" rear 5-split-spoke Low-Gloss Black-painted forged-aluminum wheels (PKJ), P305/30R19 front and P325/30R19 rear summer-only ¹ performance tires and fixed rear seat								

¹ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ² Requires subscription to OnStar Guidance Plan, Premium Access Plan or Navigation Add-On. Connected Navigation and Real-time Points of Interest (POI) only available on properly equipped vehicles. Services are subject to user terms and limitations and vary by model and/or vehicle configuration. Visit onstar.ca for more details. ³ Additional data plan rates may apply. Available on select GM vehicles with compatible hardware. Third-party trademarks are the property of their respective third-party owners and used under agreement. Visit onstar.ca for service limitations, availability and service plan details. Requires active connected vehicle services and data plan or connection to an external Wi-Fi Hotspot. Vehicle data plans provided by AT&T or its local service provider. Services are subject to user terms and limitations. Visit onstar.ca for more details. ⁴ Coupe model only. ⁵ Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at siriusxm.ca/terms. ⁶ Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and/or vehicle configuration and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi Hotspot. Accessory Power must be active to use the Wi-Fi Hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase. ⁷ Limitations apply. Not transferable. Standard connectivity available to original purchaser for 10 years from the trial activation date for properly equipped vehicles. Visit onstar.ca for details and further plan limitations. Connected Access does not include emergency or security services. Availability of Connected Access and any of its services is dependent on compatible 4G LTE wireless networks and is also subject to change. ⁸ Capabilities vary by model and/or vehicle configuration and service plan. Visit onstar.ca for vehicle availability. Message and data rates may apply. Requires active service, email address on file and enrollment in Vehicle Diagnostics. Not all issues will deliver alerts. On-Demand Diagnostics requires a paid service plan. † Do not use summer-only tires in winter conditions, as it would adversely affect vehicle safety, performance and durability. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, see the Owner's Manual, go to my.gm.ca/chevrolet/en/learn/tires or see your dealer for details.

Important words about this brochure. Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based on design and engineering drawings,

¹ Whichever comes first. ² Limit of two (2) Lube-Oil-Filter services during the program period. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. Additional conditions and limitations apply. See participating dealer for details. ³ Conditions and limitations apply. See Warranty Booklet for details. ⁴ Conditions and limitations apply. See Owner's Manual for details. ⁵ Properly equipped Chevrolet vehicles are eligible for 1 month of Connected Services trial and OnStar Safety & Security Plan coverage, starting at trial activation date; includes emergency and navigation services, Connected Navigation, the Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial. Services subject to user terms and limitations; capabilities vary by model and/or vehicle configuration; visit onstar.ca for details. Data plans offered by AT&T or its local service provider. Availability subject to change. GM Canada may modify, extend or terminate offers for any reason, in whole or in part, at any time, without notice. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. ⁶ Limitations apply. Not transferable. Standard connectivity available to original purchaser for 10 years from the trial activation date for properly equipped vehicles. Visit onstar.ca for details and further plan limitations. Connected Access does not include emergency or security services. Availability of Connected Access and any of its services is dependent on compatible 4G LTE wireless networks and is also subject to change. ⁷ Capabilities vary by model and/or vehicle configuration and service plan. Visit onstar.ca for vehicle availability. Message and data rates may apply. Requires active service, email address on file and enrollment in Vehicle Diagnostics. Not all issues will deliver alerts. On-Demand Diagnostics requires a paid service plan. ⁸ Conditions and limitations apply. ⁹ Please work with your dealer to select the plan that is suitable for your driving needs. Dealers are free to set their own prices. ¹⁰ Subject to eligibility.

prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the GM Sports Car segment and the latest available competitive information. Excludes other GM vehicles.

Engines. Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

Assembly. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

Fleet orders. Some standard content and owner benefits may be modified or deleted on fleet orders. See dealer for details.

An important note about alterations and warranties. Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.
