OnStar and Chevrolet connected services capable (Terms and limitations apply. See onstar.ca or dealer for details.)

HD Rear Vision Camera

Teen Driver a configurable feature that lets you activate customizable vehicle settings associated with a key fob, to help encourage safe driving behavior. It can limit certain available vehicle features, and it prevents certain safety systems from being turned off. It includes the Buckle-to-Drive feature which prevents the driver from shifting from Park for up to 20 seconds if the driver's seat belt is not buckled. An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver

Tire Pressure Monitor System

This document contains information considered Confidential between GM and its Clients uniquely. The information provided is not intended for public disclosure. Prices, specifications, and availability are subject to change without notice, and do not include certain fees, taxes and charges that may be required by law or vary by manufacturer or region.
