

TRVERSE 2018

CHEVROLET

Traverse High Country
in Mosaic Black Metallic
(extra-cost colour).

TRAVERSE PUTS EVERYONE FIRST.

The all-new 2018 Traverse has the flexibility to make every kilometre count, and it starts with being everything you and your family need.

Every Traverse has a unique personality. There's a choice of seating for seven or eight. And the 2018 Traverse offers more maximum cargo space than any competitor in the segment! You'll find the capability of Traction Mode Select and available twin-clutch advanced All-Wheel Drive (AWD). Plus a richly refined interior and a stunning exterior designed to create a lasting impression.

Add in available advanced safety technologies, exceptional connectivity and convenience features, as well as available Surround Vision, and you'll see how Traverse brings everyone together.

¹ Based on WardsAuto.com 2017 Large Cross/Utility Vehicle segment and latest competitive information available at time of printing. Excludes other GM models.

FIND NEW ROADS™

Traverse LT True North Edition in Graphite Metallic (extra-cost colour).

TRAVERSE LT, COMPLETELY ELEVATED.

This SUV has style to spare, with enticing chrome accents, halogen fog lamps and machined-face aluminum wheels that announce its arrival. Inside, Traverse LT features Premium Cloth, while LT True North Edition includes leather-appointed seating surfaces.

STANDARD SEATING FOR SEVEN.

Traverse LT and LT True North Edition provide second-row captain's chairs in addition to the third-row three-passenger split-bench seat. On Traverse LT you can select a second-row split bench that brings total seating to eight.

TAKING IT TO THE NEXT LEVEL.

With LT True North Edition, 20-in. aluminum wheels highlight the powerful stance. Inside, the Chevrolet MyLink^{®1} Radio with Navigation² and 10-speaker Bose[®] audio system provide convenience and listening pleasure as you travel to new destinations.

¹ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ² At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.

EXTERIOR DESIGN

Traverse High Country
in Mosaic Black Metallic
(extra-cost colour).

HIGH STYLE MEETS HIGH COUNTRY. The Traverse that takes sophistication to unprecedented levels, High Country includes 20-in. polished-aluminum wheels, chrome roof rails, a unique chrome grille and a SkyScape® dual-panel sunroof.

THE BEST OF TRAVERSE. High Country functionality is also enhanced with a twin-clutch advanced AWD system, a Trailering Package, and every convenience amenity and safety feature Traverse offers.

DRESSED TO IMPRESS. Premium perforated leather-appointed seating surfaces in Loft Brown set High Country apart from the rest. So do heated and ventilated front seats, heated second-row seats, and a power-folding third-row bench.

1. ILLUMINATING TECHNOLOGY.

On Premier and High Country, innovative LED D-Optic headlamps offer a distinctive and striking design, along with a crisp and smooth beam that resembles daylight. You might be tempted to say these headlamps are easy on the eyes.

2. TAKE THEM FOR A SPIN. Traverse Premier includes these 20-in. Argon Metallic machined-face aluminum wheels. With five 20-in. wheels in the Traverse lineup, there's something for just about anyone's taste.

3. THE SCIENCE BEHIND THE LIGHT.

New LED tail lamps, turn signals and centre high-mounted stop lamp contribute to a fresh, high-tech look across the rear.

4. THE FACE OF PREMIER. Premier features a stunning grille with chrome inserts and fog lamps that are accented in chrome.

INTERIOR DESIGN

¹ Based on latest published information at time of printing.

² Does not detect people or items. Always check rear seat before exiting.

Traverse High Country interior in Loft Brown with leather-appointed seating surfaces and Jet Black accents.

YOUR FAMILY ROOM IS ON THE MOVE.

Traverse offers more passenger space than the Ford Explorer, Honda Pilot or Toyota Highlander¹. That wide-open feeling continues to a third row that provides lots of legroom when passengers want to stretch out.

SEATING FOR 8. OR 7. IT'S UP TO YOU.

Choice is a good thing. Seating for eight includes second- and third-row flat-folding 60/40 split-bench seats (standard on LS; available on LT). Or choose seven-passenger seating with second-row flat-folding captain's chairs (standard on LT True North Edition and above).

DON'T FORGET YOUR LAPTOP.

Or anything else in the back seats. Rear Seat Reminder² activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn off the engine under certain conditions, you will get a reminder to double-check for valuables left behind.

IT'S ALL IN THE DETAILS.

Bright finishes such as Galvano chrome combine with sophisticated Piano Black accents to heighten the interior experience. The perforated leather appointments in both Premier and High Country provide the

luxury you deserve, with High Country adding sueded microfibre accents on the instrument panel and doors.

FIRST-CLASS CABIN.

Premier and High Country provide perforated leather-appointed seating surfaces and heated and ventilated front seats, along with a heated steering wheel that helps shake off the chill on those cold mornings. Rear passengers haven't been forgotten, with heated seats in the second row.

THE SEAT OF POWER.

Make every drive enjoyable. LT models and above have an 8-way power driver seat, while Premier,

High Country and LT True North Edition models include a 6-way power front-passenger seat. Memory settings for the driver seat and exterior heated mirrors are included on Premier and High Country for the ultimate in customized comfort.

USE YOUR INSIDE VOICE.

With new Active Noise Cancellation, a honed exterior that helps reduce wind noise and numerous other acoustic enhancements, Traverse is a quiet place for a conversation, whether you're on the phone or talking to people in the third row.

The image shows the interior of a 2018 Chevrolet Traverse from a rear passenger perspective. The third row of seats is folded down, creating a flat surface. The second row of seats is also folded down. The front seats and dashboard are visible in the background. The interior is light-colored, and the windows show a sunset or sunrise scene with mountains in the distance.

AS BIG AS YOUR IMAGINATION. The 2018 Traverse offers more maximum cargo space than any competitor in the segment¹ – 2781 L (98.2 cu. ft.)² when you fold the second and third rows virtually flat. And even with all the seats up, Traverse offers more maximum cargo space behind the third-row seats than the Ford Explorer, Honda Pilot or Toyota Highlander.³

FILL IT UP. You'll have to work hard to fill all the storage spaces in Traverse. There are dedicated spots for cell phones, umbrellas and sunglasses, plus a roomy centre console and 10 cupholders.

THIRD-ROW CONVENIENCE. We've added a whole different dimension to convenience with power-folding third-row seating on High Country. A simple touch of the buttons located in the rear cargo area folds the third row up or down, depending on how you plan to use your Traverse today.

¹ Based on latest published information at time of printing.
² Cargo and load capacity limited by weight and distribution. Maximum cargo volume with rear seats folded down.
³ Based on latest competitive information available at time of printing.

1. WE KICKED CONVENIENCE UP A NOTCH.

Open and close the hands-free power liftgate by simply using a kicking motion under the rear bumper. LED lighting projects the Chevrolet bowtie so you'll know just where to kick. Standard only on Premier and High Country.

2. A PLACE FOR EVERYTHING.

Traverse offers an abundance of open storage spaces, 24 to be exact, including a front-passenger side pocket that can easily accommodate a tablet.

3. STORAGE IN DISGUISE.

A large underfloor cargo area is easily accessible and a great place to store valuables, since it's completely hidden from prying eyes.

4. SLIDE INTO THIRD.

The enhanced Smart Slide® second-row seat lets you slide and tilt forward the passenger-side seat for quick and easy access to the spacious third row. You can even leave an unoccupied forward-facing child seat in place – it just has to be properly installed using the LATCH system.

TECHNOLOGY

1. Apple CarPlay COMPATIBILITY.

With Apple CarPlay,¹ you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your touch-screen display.

2. **myChevrolet™ MOBILE APP.**² Simply download the app to your compatible smartphone and if your vehicle is properly equipped, you'll be able to remotely start or stop the engine³; lock/unlock the doors³; send destinations⁴ to your available navigation system (if equipped), view key vehicle diagnostic information, set parking reminders and more.

3. **YOU'RE IN CONTROL.** Offering up to four modes, Traction Mode Select lets you adjust performance based on road and surface conditions: FWD for everyday driving, Off-Road on AWD models when you need extra torque for the rear wheels, 4x4 (AWD)/Snow (FWD) for better control on slippery surfaces, and Tow/Haul⁵ when pulling a trailer.

4. **HIDE WHAT OTHERS SEEK.** An 8-in. diagonal colour touch-screen, standard on LT, LT True North Edition, RS, Premier and High Country, includes hidden, lockable storage behind the display to stow small valuables out of sight. There's also a USB port⁶ for charging your smartphone.

¹ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ² Available on select Apple and Android devices. Service availability, features and functionality are subject to limitations and vary by vehicle, device and the plan you are enrolled in. Device data connection required. Visit onstar.ca for more details. ³ Requires subscription to Remote Access Plan or Premium Access Plan. Services are subject to user terms and limitations, and vary by vehicle model. Unlock feature requires automatic locks. Remote start requires GM factory-installed and enabled remote start system. Visit onstar.ca for more details. ⁴ Requires subscription to OnStar Guidance Plan, Premium Access Plan, OnStar Safety & Security Plan or Navigation Add-On. Services are subject to user terms and limitations, and vary by vehicle model. Visit onstar.ca for more details. ⁵ Not available on LS or RS models. ⁶ Not compatible with all devices.

Traverse High Country interior in Loft Brown with leather-appointed seating surfaces and Jet Black accents.

¹ Not compatible with all devices. ² MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³ Visit chevrolet.ca for details about Chevrolet Shop. Requires available Chevrolet MyLink Radio with 8-in. display. ⁴ Visit onstar.ca for vehicle availability, details and system limitations. Services and connectivity vary by model and conditions as well as geographical and technical restrictions. Requires active connected vehicle services and data plan. Data plans provided by AT&T or its local service provider. Accessory Power must be active to use the Wi-Fi hotspot. ⁵ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher and data plan rates apply.

SETTING THE STANDARD. Traverse aims to impress with all these standard features: Keyless Open and Start, tri-zone automatic climate control, USB ports¹ in all rows, Chevrolet MyLink² with a touch-screen display, a theft-deterrent system, and so much connectivity technology you might feel like you never need to leave.

ON-COMMAND CONNECTIVITY.

Chevrolet MyLink² lets you handle calls, play music and easily access contacts from your compatible smartphone simply by touching the colour touch-screen or through voice commands. With Chevrolet Shop™³ you can browse, select and install apps that enhance your driving experience.

Wi-Fi IN TRAVERSE. Chevrolet offers 4G LTE with built-in Wi-Fi® hotspot⁴, includes 1 month or 3 GB data plan trial (whichever comes first) from vehicle delivery date. This technology provides the ability to seamlessly connect up to seven compatible devices and your vehicle to the Internet. It provides a great in-vehicle experience with a reliable connection.

EASY ANDROID CONNECTION.

With Android Auto™ connectivity,⁵ you can interact with select smartphone apps. This system takes some of your compatible Android phone's features and puts them on the Chevrolet MyLink² display in a smart, simple manner. You can access your phone, text messages, music, navigation and more.

SURROUND VISION. This new feature can make parallel parking and manoeuvring at low speeds into tight garage spaces easier. That's because you get twice the view when you look at just one screen. Using four strategically placed cameras, Surround Vision creates a virtual

bird's-eye view of the areas immediately surrounding your Traverse. All camera viewpoints simultaneously merge to transmit a clear side-by-side digital image to the display screen. Standard on LT True North Edition models and above.

ONSTAR AUTOMATIC CRASH RESPONSE!

In a crash, built-in sensors can automatically connect you to a specially trained OnStar advisor who can get you the right help quickly – even if you can't ask for it. Advisors can use GPS

technology to pinpoint your location and request emergency help. OnStar Automatic Crash Response¹ is included in the OnStar Safety & Security Plan² for the first month.

¹ OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. ² OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Roadside services provided by Allstate Roadside Services. Limitations and restrictions apply. Stolen Vehicle Assistance requires armed factory-installed theft-deterrent system and selection of notification communication preference(s). These services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. Additional messaging and data rates may apply. Services are subject to user terms and limitations. Visit onstar.ca for more details.

1. REAR CAMERA MIRROR.

This technology projects a wide-angle view of the area behind your Traverse. The driver can easily toggle between the mirror surface and a video screen that provides a full high-resolution view without the obstruction of head restraints, rear-seat passengers or cargo, so you can see more of what's behind you. Standard on LT True North Edition and above.

2. TEEN DRIVER. Perfect for new drivers, Teen Driver technology helps encourage better driving habits by providing an in-vehicle report card that monitors the frequency of select available safety tech features that are activated (if equipped), muting the audio system when front-seat occupants aren't wearing their safety belts, and giving audible and visual warnings when the vehicle is travelling over a predetermined speed.

3. FRONT CENTRE SIDE-IMPACT AIRBAG.

Traverse continues the use of an industry-first airbag¹ that deploys from the right side of the driver seat and positions itself between the front seats for added cushioning and restraint to help protect the driver and passenger in the event of a side-impact collision.

¹ Airbag inflation can cause severe injury or death to anyone too close to the bag when it deploys. Be sure every occupant is properly restrained. A NOTE ON CHILD SAFETY: Always use safety belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information.

SAFETY

SAFETY STARTS WITH YOU. Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the vehicle Owner's Manual for important feature limitations and information.

TRAVERSE PUTS SAFETY FIRST. THE SAME WAY YOU DO.

Protection is good, but prevention is better. Offering up to 14 advanced safety technologies, Traverse uses cameras, ultrasonic sensors and radar to detect potential hazards to help you avoid collisions before they happen.

ADAPTIVE CRUISE CONTROL.

This standard feature on High Country maintains your selected cruise speed and following-gap distance, automatically braking when necessary, even in stop-and-go traffic.

FRONT PEDESTRIAN BRAKING. At speeds up to 80 km/h, a forward-looking camera surveys the road ahead, flashing a warning signal and a series of eight beeps when the vehicle is approaching a pedestrian ahead too fast. If necessary, the available system will even automatically apply last-second braking. Standard on Premier and High Country.

FORWARD AUTOMATIC BRAKING.

Using the same radar sensors as Adaptive Cruise Control, Forward Automatic Braking helps mitigate collisions or even prevent them at very low speeds. The system alerts the driver if a detected vehicle slows unexpectedly. Standard on High Country.

LOW SPEED FORWARD AUTOMATIC

BRAKING. Camera-based Low Speed Forward Automatic Braking helps prevent or mitigate collisions at speeds below 80 km/h. Standard on Premier.

FORWARD COLLISION ALERT AND FOLLOWING DISTANCE INDICATOR.

This feature continually monitors how close your vehicle is to the vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it alerts the driver to a potential crash. It also warns the driver if their Traverse is following a detected vehicle much too closely. Standard on Premier and High Country.

LANE KEEP ASSIST WITH LANE

DEPARTURE WARNING. At speeds above 60 km/h, this available camera-based system monitors road lines and will gently turn the steering wheel if the vehicle begins changing lanes without the use of a turn signal. Standard on Premier and High Country.

LANE CHANGE ALERT WITH SIDE BLIND

ZONE ALERT. Radar sensors in the rear corners of the vehicle help detect fast-approaching vehicles in the adjacent lanes as well as vehicles in the side mirror blind zones. Amber icons in the exterior mirrors indicate a vehicle's presence. Standard on LT models and above.

REAR CROSS TRAFFIC ALERT.

Using radar sensors, this feature alerts you to crossing traffic behind your Traverse when backing up. Audible warnings, as well as visual alerts on the rear vision camera screen, are triggered if approaching vehicles are detected. Standard on LT models and above.

REAR VISION CAMERA. This standard feature displays a view of the area immediately behind the vehicle on the touch-screen – making it easier to see what's behind you while backing up.

REAR PARK ASSIST. This available feature helps you when backing up by sounding an audible alert and providing visual indication on the rear vision camera display when it detects certain stationary objects in close proximity behind the vehicle.

INTELLIBEAM HEADLAMPS.

When oncoming headlamps are sensed or when tail lamps are detected in front of you, the available IntelliBeam® high beam assist intuitively adjusts between low and high beams. Standard on Premier and High Country.

PERFORMANCE

Traverse Premier in
Black Currant Metallic
(extra-cost colour).

GET AWAY FROM IT ALL. BRING IT ALL WITH YOU.

¹ On all models except LS and RS. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.

3.6L V6 ENGINE. Delivering 310 horsepower, this new engine provides smooth, effortless performance. And our 3.6L V6 features a number of fuel-saving technologies, such as Variable Valve Timing and Direct Injection, so you don't have to sacrifice efficiency in the name of power.

2.0L TURBO. The all-new Traverse RS has a fun-to-drive 2.0L turbocharged 4-cylinder under the hood. With a design that generates up to 138 kPa (20 psi) of boost and virtually eliminates turbo lag, you'll get the full performance benefits of the engine's 257 horsepower and 295 lb.-ft. of torque.

INTELLIGENT STOP/START TECHNOLOGY. In certain conditions, the engine will automatically shut off when the brake is applied and the vehicle comes to a stop. When the brake is released, the engine automatically turns back on. It's a smart way to save fuel in stop-and-go city driving. It's so seamless, you might not notice it at all.

9-SPEED AUTOMATIC TRANSMISSION. Tuned for smoother shifts and more fuel-efficient cruising, the new 9-speed automatic transmission is standard on Traverse and perfectly complements the 3.6L V6 and 2.0L I-4 engines.

TOW UP TO 2268 KG (5000 LB.)¹ With the 3.6L V6 engine and factory-installed Trailering Package, you can tow a mid-size camper, jet skis, a boat or whatever you need on your next adventure.

SWITCHABLE ALL-WHEEL DRIVE. This all-new available system enhances traction and control on slippery or snow-covered roads. Switchable AWD lets you change between FWD and AWD operation while you're on the go. In FWD mode, the system disengages AWD components for greater fuel efficiency.

TWIN-CLUTCH ALL-WHEEL DRIVE. High Country includes an advanced

AWD system capable of transferring up to 100% of torque to either the front or rear axle. Also, across the rear axle, the electronically controlled rear differential can direct up to 100% of available torque to either rear wheel with the best traction.

GET A HANDLE ON IT. The 2018 Traverse is up to 136 kg (300 lb.) lighter than the previous generation. Plus, it features variable-assist Electric Power Steering and a new 5-link independent rear suspension. All that adds up to an SUV with a tighter turning circle and light, nimble steering that helps you feel more connected to the road.

DISTINCTIVE MODELS

TRAVERSE REDLINE EDITION

EYE-CATCHING ACCENTS UNDERLINE THE STREET-SMART AESTHETICS OF REDLINE.

THIS EDITION INCLUDES ALL THE FEATURES OF PREMIER, ALONG WITH:

20-IN. GLOSS BLACK-PAINTED ALUMINUM WHEELS WITH RED ACCENTS

BLACK CHEVROLET BOWTIE EMBLEMS, GRILLE, FOG LAMP BEZELS, WINDOW TRIM AND ROOF RAILS

JET BLACK LEATHER-APPOINTED SEATING

Traverse RS in Cajun Red Tintcoat (extra-cost colour).

SELECT VEHICLE FEATURES

TRAVERSE LS

Traverse LS includes these standard features:

310 hp 3.6L DOHC V6 engine with Direct Injection (DI) and Variable Valve Timing (VVT) with Auto Stop/Start engine feature

9-speed automatic transmission with manual mode and Driver Shift Control

4-wheel disc brakes with Duralife™ brake rotors, Anti-lock Braking System (ABS), Brake Assist and Hill Start Assist

StabiliTrak® Electronic Stability Control System and traction control

Traction Mode Select

4-wheel independent suspension

18-in. Bright Silver-painted aluminum wheels

Heated, power exterior mirrors, Black

Rear vision camera

Keyless Open and Start with extended-range remote keyless entry

Content theft alarm

Driver Information Centre with 3.5-in. monochromatic display

Tire pressure monitoring system includes Tire Fill Alert (excludes spare tire)

Tri-zone automatic climate controls with humidity sensor

Power windows and programmable door locks

Tilt and telescopic adjustable steering column

Cruise control

Steering wheel-mounted Bluetooth,¹ cruise and audio system controls

Sunshades with illuminated vanity mirrors

Seating for eight with front bucket seats, 2nd-row Smart Slide flat-folding 60/40 split-bench seat and 3rd-row manual flat-folding 60/40 split-bench seat

Umbrella holders in driver and front-passenger doors

Chevrolet MyLink² Radio infotainment system with 7-in. colour touch-screen display

Teen Driver technology

Rear Seat Reminder³

Bluetooth¹ hands-free phone connectivity and wireless audio streaming

USB ports,⁴ two in front row

USB charge-only ports,⁴ four, two located in 2nd row and two located in 3rd row

OnStar Safety & Security Plan⁵ with 1-month coverage

4G LTE with built-in Wi-Fi hotspot⁶ includes 1 month or 3 GB data plan trial (whichever comes first) from vehicle delivery date

10 years of standard connectivity with Chevrolet Connected Access⁷

TRAVERSE LT

Traverse LT enhances LS features with:

18-in. Bright Silver-painted machined-face aluminum wheels

Trailer Package with heavy-duty cooling system

Fog lamps

Heated, power exterior mirrors with turn signal indicators, body-colour

Roof-mounted side rails, Black

Lane Change Alert with Side Blind Zone Alert

Rear Park Assist

Rear Cross Traffic Alert

Programmable power rear liftgate

Remote vehicle starter system

Driver Information Centre with 4.2-in. multi-colour display

Universal home remote programmable transmitter

Leather-wrapped steering wheel with Bluetooth,¹ cruise and audio system controls

Seating for seven with 2nd-row Smart Slide captain's chairs

Heated front bucket seats

Power 8-way driver-seat adjuster with power lumbar adjuster

Chevrolet MyLink² Radio infotainment system with 8-in. colour touch-screen display

SiriusXM⁸ Radio⁹ 3-month trial subscription.

TRAVERSE LT TRUE NORTH EDITION

Traverse LT True North Edition enhances LT features with:

Switchable all-wheel-drive system

20-in. machined-face aluminum wheels with Technical Grey pockets

Surround Vision with bird's-eye view, includes rear vision camera

Rear Camera Mirror with auto-dimming feature

SkyScape 2-panel sunroof, power front and fixed rear with sunscreens

Leather-appointed seating surfaces

Power 6-way front-passenger seat adjuster with power lumbar adjuster

Chevrolet MyLink² Radio with Navigation⁹ and 8-in. colour touch-screen display

10-speaker Bose[®] premium audio system with Richbass[®] woofer in centre console

120-volt AC power outlet, located on rear of centre console.

TRAVERSE RS

Traverse RS¹⁰ enhances or substitutes LT True North Edition features with:

257 hp 2.0L turbo DOHC I-4 engine with Direct Injection (DI) and Variable Valve Timing (VVT) with Auto Stop/Start engine feature

Front-wheel drive

20-in. Dark Android-painted aluminum wheels

Black bowtie emblems, Black Ice grille and Black roof-mounted side rails.

TRAVERSE PREMIER

Traverse Premier enhances LT True North Edition features with:

20-in. Argent Metallic machined-face aluminum wheels

Low Speed Forward Automatic Braking

Front Pedestrian Braking

Forward Collision Alert and Following Distance Indicator

IntelliBeam automatic high beam on/off

Lane Keep Assist with Lane Departure Warning

Roof-mounted side rails, Black front/chrome middle and rear

Heated, power exterior mirrors with turn signal indicators and driver-side auto-dimming and memory features, body-colour

Programmable power rear liftgate – hands-free

Power tilt and telescopic adjustable steering column

Heated steering wheel

Perforated leather-appointed seating surfaces

Ventilated front bucket seats

Driver-side 2-position memory

Heated 2nd-row seats

Wireless charging station¹¹

TRAVERSE HIGH COUNTRY

Traverse High Country enhances Premier features with:

Twin-clutch advanced all-wheel-drive system

20-in. polished-aluminum wheels

Adaptive Cruise Control with Forward Automatic Braking

Roof-mounted side rails, chrome

Premium perforated leather-appointed seating surfaces

3rd-row power flat-folding 60/40 split-bench seat.

¹ Always use safety belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the Owner's Manual and the child safety seat instructions for more safety information. ² OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Roadside services provided by Allstate Roadside Services. Limitations and restrictions apply. Stolen Vehicle Assistance requires armed factory-installed theft-deterrent system and selection of notification communication preference(s). These services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. Additional messaging and data rates may apply. Services are subject to user terms and limitations. Visit onstar.ca for more details. ³ Late availability. ⁴ Black with available Redline Edition. ⁵ Included and only available with Redline Edition. [†] All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

¹ Does not detect people or items. Always check rear seat before exiting. ² Visit chevrolettotalconnect.ca to find out which phones are compatible with the vehicle. ³ High Country features 3rd-row power flat-folding 60/40 split-bench seat. ⁴ MyLink functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ⁵ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher and data plan rates apply. ⁶ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁷ Not compatible with all devices. ⁸ Visit chevrolet.ca for details about Chevrolet Shop. ⁹ At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ¹⁰ SiriusXM satellite radio service and SiriusXM Traffic subscriptions are sold as a package after the trial period. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call us at 1-866-635-0528. See the Customer Agreement for complete terms at siriusxm.ca/terms. All fees and programming subject to change. SiriusXM Traffic is available only in select markets. For more information, see siriusxm.ca/traffic. ¹¹ Visit onstar.ca for vehicle availability, details and system limitations. Services and connectivity vary by model and conditions as well as geographical and technical restrictions. Requires active connected vehicle services and data plan. Data plans provided by AT&T or its local service provider. Accessory Power must be active to use the Wi-Fi hotspot. ¹² Limitations apply. Not transferable. Standard connectivity available to original purchaser for 10 years from the vehicle delivery date for model year 2018 and newer Chevrolet vehicles. See onstar.ca for details and further plan limitations. Connected Access does not include emergency or security services. Availability of Connected Access and any of its services are dependent on compatible 4G LTE wireless networks and are also subject to change. ¹³ Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at siriusxm.ca/terms. ¹⁴ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit chevrolettotalconnect.ca for details. ¹⁵ Requires Iridescent Pearl Tricoat, Silver Ice Metallic, Summit White or Mosaic Black Metallic exterior colours.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS⁵

- GM Protection Plan (GMPP) – the only extended service plan backed by the resources and commitment of General Motors, GMPP may be purchased at the time of sale or subsequently during the New Vehicle Limited Warranty period.
- Chevrolet Certified Service – to help your Chevrolet vehicle live up to its performance promise, Chevrolet Certified Service – found exclusively at your Chevrolet dealer – is there. With all the engineering excellence in your vehicle, GM-trained technicians have the expertise to care for all of it.
- Chevrolet Owner Centre – as an owner, take advantage of the Chevrolet Owner Centre. This online owner's destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at mychevrolet.ca.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE

- Purchase Financing and Leasing – on-the-spot financing; see dealer for full details⁶
- GM Student Bonus Program – students or recent graduates of high school, college or university⁶ may be entitled to receive a Student Bonus Vehicle Redemption Allowance of \$500 or \$750⁵ (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle.
- GM Card[®] – Cardholders may redeem Earnings towards the total purchase price or lease down payment of an eligible new Chevrolet car, truck or crossover. Restrictions and limitations apply. For full program details, visit gmcards.ca.

INFORMATION RESOURCES You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The Chevrolet website at chevrolet.ca
- The GM Customer Care Centre at **1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830** for TDD users).

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there are changes, they are acceptable to you.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

TRADEMARKS The marks appearing in this brochure including, but not limited to, General Motors, GM, Chevrolet, the Chevrolet emblem, Traverse and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Chevrolet Shop, Duralife, Find New Roads, IntelliBeam, myChevrolet, MyLink, OnStar, the OnStar emblem, Smart Slide, StabiliTrak and SkyScape are trademarks of General Motors LLC, OnStar LLC and/or General Motors of Canada Company, its subsidiaries, affiliates or licensors.
