2020 KICKS®

Innovation that excites

NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into partners. Together the journey is more confident, connected, and exciting. Whether it's cars that share the task of driving with you, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

[1]Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. [2]2020 Fuel Economy Estimate 6.6 L/100 km (43 MPG) highway. Actual mileage may vary with driving conditions – use for comparison only. [3]Available feature. [4]Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. [5]Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual**. [6]Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [7]Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. [8]Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. [9]Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. [10]Information displayed is dependent on how vehicle is equipped. [11]Intelligent Around View Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. [12]Virtual composite 360° view. [13]Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. [14]Lane Departure Warning only operates when lane markings are able to be detected. See Owner's Manual for safety information. [15]Rear Intelligent Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [16]Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. [17]Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. [18]Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information [19]Extra cost option. [20]Genuine Nissan Accessory Roof Rail Crossbars have a maximum weight limit of 100 lbs. [21]The optional Rear Sonar System is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. May not detect every object behind you. [22]Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. [23]RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. [24]Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth® word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under licence. [25]Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. [26]Vehicle must be on for the Easy-Fill Tire Alert to operate. [27]Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. [28]See Owner's Manual for safety information. [29]Provincial laws may apply. Review before using. [30]XM® and SiriusXM® Satellite Radio is available in the 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period. All subscriptions subject to customer agreement at **siriusxm.ca/terms**. All fees and programming subject to change. ©2019 Sirius XM Canada Inc. The Sirius,® XM,® and SiriusXM® names and all related marks and logos are trademarks of Sirius XM Radio Inc. All other trademarks are the property of their respective owners. [31]Whichever occurs first. [32]Airbags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Airbags will only inflate in certain accidents. See Owner's Manual for safety information. [33]Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. NISSAN INTELLIGENT MOBILITY™

Take in the city from an elevated perspective in the 2020 Nissan Kicks.® Push dramatic styling to the edge, then revel in a premium interior. Nissan Intelligent Mobility features keep you ahead of the game,[1] while dynamic handling puts you in charge. Statement time? Express yourself with a new level of personalization. This is self-expression. This is Nissan Intelligent Mobility.[1]

6.6 L/100 KM
(43 MPG)[2]

Nissan Kicks® SR shown in Charcoal Prima-Tex.™ U.S. instrumentation shown.

GRAB A SEAT AT THE CENTRE OF ATTENTION

Welcome to a place that puts you, and your ambitions, first. From the D-shaped steering wheel to the "floating" display to the eye-catching contrast stitching, Kicks® makes you, and your crew, feel like the centre of attention.

DEP
DEALER ePROCESS

Shown without cargo cover.[4]

FIND A SHORTCUT TO MORE POSSIBILITIES

We thought we should make it easier for you to do more. So we designed Kicks® to be easily accessible, and highly flexible. With a liftgate that opens high enough for you to stand under, it's never been easier to make the most of every day. The cargo cover[3,4] is easily removable when you're carrying a lot of cargo.[4] Want to keep your gear away from prying eyes? Just pull it shut, and your stuff is safe.

DEP
DEALER ePROCESS

GO ALL IN ON THE NEXT ACTIVITY

Cargo versatility is clearly a priority in Kicks. With 60/40 split folding seats giving you the capability to bring a combination of cargo and people, this vehicle takes flexibility seriously.[4]

NISSAN INTELLIGENT MOBILITY™

APPLE CARPLAY®

People to see? Places to be? Just ask Siri.® Equipped with Siri,® Apple CarPlay® (shown to the right) brings on board your contacts, favourite audio apps, Apple Maps, and more. You can even use your steering wheel controls to adjust volume and toggle through screens. Simply plug in your compatible iPhone® and go.[3,5,6]

ANDROID AUTO™

Know where you're going and when. Google Maps™ helps you navigate to your next appointment, while Google Assistant keeps you on top of your schedule. Choose a song, change your destination, or respond to a text with your hands on the wheel using the hundreds of available voice commands.[3,5,7,8]

BECOME A KNOW-IT-ALL

The innovative, 178 mm (7") full-colour Advanced Drive-Assist® Display[3] can be customized to show everything from rpm to playlists to fuel economy history. Something you'll enjoy keeping track of when getting impressive 6.6 L/100 km on the highway.[2,3,9,10]

U.S. instrumentation shown.

TURN UP YOUR ANTHEM

Expect your own personal concert on every drive with the Bose® Personal® Plus Sound System.[3] It features eight speakers, including two Bose® UltraNearfield™ speakers built right into the driver's headrest. Together, they give you a 360° listening experience like never before.

BOSE

SHOW OFF YOUR STREET SMARTS

With features like Automatic Climate Control[3] keeping things comfortable, USB connectivity[3,6] making things easy, and heated seats[3] keeping you warm on a cold night, there's no city this vehicle isn't ready for.

U.S. instrumentation shown.

BRING SOME BACKUP

Whether confronting city traffic or navigating a crowded parking lot, available Nissan Intelligent Mobility features give you the confidence and capability to handle the task.[1]

NISSAN INTELLIGENT MOBILITY™

SEE MORE AND SENSE MORE AROUND YOU

Intelligent Around View® Monitor

Keep your pride and rims intact. Intelligent Around View Monitor makes parking easy with a virtual composite 360° bird's-eye view of your Kicks®. You can select from split-screen close-ups of the front, rear, and curbside views for a better look. It also gives you an on-screen heads-up when it detects moving objects near your vehicle. We're looking at you, shopping cart.[3,11,12]

Blind Spot Warning

Wait. Was that a car over there? Kicks with Blind Spot Warning keeps an eye on the blind spot area and gives you a heads-up if it detects a vehicle hiding there.[13]

Rear Cross Traffic Alert

Fear no parking lot. When you're backing out of a space, Rear Cross Traffic Alert watches around the rear of your Kicks and can warn you about cars it detects creeping up on you from either side.[16]

Forward Collision Warning

What's up ahead? Kicks knows. Forward Collision Warning watches the car ahead, and when it detects sudden deceleration in front of you, it gives you a warning to slow down.[17]

U.S. instrumentation shown.

Lane Departure Warning

Lane Departure Warning helps make sure you change lanes only when you mean to. If the system detects that you're drifting over, it'll warn you.[14]

Rear Intelligent Emergency Braking

Save your bumper. Kicks with Rear Intelligent Emergency Braking watches out directly behind you for stationary items you might not see. If it detects something and you fail to stop, it can automatically engage the brakes to help avoid a rear collision or lessen the severity of an impact.[15]

High Beam Assist

High Beam Assist can automatically deactivate Kick's high beams if it detects an oncoming vehicle, which automatically makes you a more polite driver. After the vehicle has passed, the system can reactivate the high beams.

GET AN ASSIST WHEN YOU NEED IT

Intelligent Emergency Braking with Pedestrian Detection

Kicks looks out for what's ahead and for people crossing in front of you. Intelligent Emergency Braking with Pedestrian Detection monitors your speed and distance between you and the car ahead, and can let you know if you need to slow down. It can also automatically engage the brakes to help avoid a frontal collision or lessen the severity of an impact. And when it detects a pedestrian in the crosswalk, it can stop you in your tracks.[18]

DEALER ePROCESS

KICKS® COLOUR STUDIO®

With Kicks Colour Studio, you can make your Kicks one of a kind. Choose from a large selection of accents and finishes, including the distinctive interior accents shown below. Your ride, your choice.

Available accent colour options.

Carpeted Floor Mats | Air Vent Rings | Door Sill Protectors | Rearview Mirror Cover

Images are for illustration purposes only, and may not exactly depict the actual accessory. Images may also show additional available equipment.

Nissan has taken care to ensure that the colour swatches presented here are the closest possible representations of actual vehicle colours. Swatches may vary slightly due to the printing process and whether viewed in daylight, fluorescent or incandescent light. Please see the actual colours at your dealer.

Nissan Kicks® Colour Studio® images are shown with accessory splash guards, 17" aluminum-alloy wheels with wheel inserts[3] and side-window deflectors.[19]

GENUINE NISSAN ACCESSORIES

Every Genuine Nissan Accessory is custom-fit, custom-designed and durability-tested. Each one is backed by Nissan's 3-year/60,000-km (whichever occurs first) limited warranty (if installed by dealer at the time of purchase), and can be financed when installed by dealer at time of purchase. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

A. **Roof Rail Crossbars**[4,20]
The easy solution to bringing more.

B. **All-Season Floor Mats**
Bring on the weather!

C. **Cargo Level Load Floor**[4]
Even out your cargo space.

D. **Interior Accent Lighting**
Starts every trip with a warm glow.

Additional Accessories:

- LED Fog Lights
- Stainless Steel Exhaust Finisher
- Splash Guards
- Rear Bumper Protector
- Frameless Auto-dimming Rearview Mirror with Universal Remote
- All-Season Cargo Mat
- And More

BUYING AND OWNING

Finance Options Through Nissan Canada Finance, we offer many attractive lease and loan options that can be tailored to your individual needs. We have unique programs such as the Nissan Grad Program, Loyalty Program or the Nissan Advantage Program. Please visit our website **Nissan.ca/finance** to explore all of the options available. We have also made it easy to pre-qualify online. All of our programs come with competitive rates and terms. With our flexible options, driving home a new Nissan has never been easier. Consult your local Nissan Dealership for complete details.

No-Nonsense Warranty Every 2020 Nissan is covered by a 3 year/60,000 km[31] Comprehensive New Vehicle Warranty, a 5 year/100,000 km[31] Powertrain Warranty, an 8 year/130,000 km[31] Emission OBD Warranty on selected components, and a 5 year/unlimited km Corrosion Perforation Warranty. As a Nissan owner, you'll also receive a 3 year Roadside Assistance program available to you 24 hours a day. Terms, conditions and exclusions apply. See your Warranty Information Booklet for complete details.

Added Security Plan (ASP) For ultimate peace of mind, consider the Nissan Added Security Plan. It's our commitment to be there for you, and to help you leave your worries behind. Different plans, available for both purchased and leased vehicles, let you tailor the coverage to your driving habits.

Security+Plus™ Prepaid Maintenance Plan The smart choice when it comes to maintaining your new Nissan. Honoured at all participating Nissan Dealers in Canada and the U.S., your vehicle is cared for by factory-trained technicians using Genuine Nissan Parts. And best of all, there's no worrying about price increases on parts or service in the future. A variety of plans are available. Ask your Dealer for details.

Combined	7.2 (39)	7.2 (39)	7.2 (39)

Actual mileage may vary with driving conditions – use for comparison only.

Nissan's environmental action plan focuses on several key areas. In addition to increasing production of Zero Emission vehicles like the 100% electric LEAF,® we're improving fuel efficiency across our lineup, and reducing the environmental impact of manufacturing through energy-efficient practices in our plants.
