

APPRENTICE AUTOMOTIVE TECHNICIAN

ONTARIO MOTOR SALES

Ontario Motor Sales is a Chevrolet Cadillac dealership proudly serving the Durham Region for over 100 years. As a well-established GM Certified Service and Sales Centre, we see a high volume of new and used car sales as well as maintenance and repair work. We are currently seeking an Apprentice Automotive Technician to join our dynamic team in the service department.

KEY RESPONSIBILITIES

- Perform work on repair orders with efficiency and accuracy, while being compliant with the dealership standards.
- Complete automotive maintenance responsibilities, including oil changes, tire rotations, transmission flushes, air conditioner re-charges, front-end alignments, battery installations and headlight, taillight installations, etc.
- Working alongside the Service Advisors communicate if additional work is needed or if repairs/work cannot be completed within the given time frame.
- Organize with the Parts Department to confirm the availability of parts needed to complete work orders.
- Conducting road tests on vehicles when needed to ensure the quality of repair and guaranteeing vehicles remain clean for customers.
- Staying updated with technical skills and attend sponsored training classes.
- Maintain working environment; ensure equipment durability and workplace safety.
- Required to wear safety equipment and clothing (i.e., safety glasses and footwear).
- Ensure compliance with regulations, such as safety requirements, hazardous waste disposal, Canadian Occupational Health and Safety Regulations and other policies and procedures as required.

WHAT YOU NEED TO SUCCEED

- Licensed Automotive Service Technician Apprentice (310s)
- A valid Ontario Class G Drivers' License is required.
- Highly skilled with technical and mechanical aptitude and exceptional problem-solving skills.
- Strong organizational and time management skills along with attention to detail.
- A strong sense of personal pride in their workmanship
- Valid Ontario Class G driver's license
- Clean Driver's Abstract
