Safety-Interior

Teen Driver a configurable feature that lets you activate customizable vehicle settings associated with a key fob, to help encourage safe driving behaviour. It can limit certain available vehicle features, and it prevents certain safety systems from being turned off. It includes the Buckle-to-Drive feature which prevents the driver from shifting from Park for up to 20 seconds if the driver's seat belt is not buckled. An in-vehicle report card gives you information on driving habits and helps you to continue to coach your new driver

Door locks, rear child security

Rear Seat Reminder

Rear Seat Belt Indicator

Buckle to Drive prevents vehicle from being shifted out of Park until driver seat belt is fastened; times out after 20 seconds and encourages seat belt use, can be turned on and off in Settings menu

Tire Fill Alert provides an audible indication when tire pressure is added to a tire that is low. Aids to achieve optimal tire pressure

Tire Pressure Monitoring System (does not apply to spare tire)

3 Years of Onstar Remote Access. The Onstar Remote Access Plan gives you simplified remote control of your properly equipped vehicle and unlocks a variety of great features in your myChevrolet mobile app. See dealer for details. (OnStar and Connected Vehicle Services require a working vehicle electrical system (including battery), active service plan, cell reception and GPS satellite signal. OnStar links to emergency services. Services, connectivity and capabilities vary by model and/or vehicle configuration and conditions as well as geographical and technical restrictions and are subject to terms and limitations. See onstar.ca for coverage maps, terms, details and system limitations. Data plans are provided by AT&T or its local service provider; availability subject to change; not transferable to subsequent vehicle owners. Non-refundable and no cash value.)
